This 6-hour session includes :

The Morning

- Introduction to viticultural Burgundy (1h30)

* History, geography and key facts and figures.

- Introduction to wine tasting (30 min)

* Learn the basic steps of tasting and how to describe a wine in order to better understand the «dégustation».

- Tasting session (1h)

* Six wines representing the region, such as Petit Chablis, Pouilly-Fuissé, Meursault for the whites, and Mercurey, Volnay, Chambolle-Musigny for the reds (subject to change).

After Midday

- Landscape reading in a scenic vineyard (1h)

* Practical application of the morning learnings to better understand wine-growing techniques and the geological elements adding to Burgundy's character.

- Winery tour (2h)

* Meet winemakers who will proudly share their experience and passion and help you discover their own production.

WINE DREAM
CONCEPT

Introduction to Burgundy wines

Please note that these two sessions do not include transport costs.

Options

The two sessions above can be adjusted to your needs by adding :

- Cultural sights such as the Hospice de Beaune, Château de Clos Vougeot, Abbaye de Cluny, Abbaye de Cîteaux, and many more.
- Gastronomy visits to mustard factories, cheese makers and several other vineyards or wineries.

This flexibility allows us to tailor a session according to your wishes and your level of expertise.

We are there to make sure that your visit to the land of Burgundy wines becomes an unforgettable experience.

Do not hesitate to contact us for more information.
